# ABOUT US

Wingrow is managed by 3 intellectual minds having a vast experience of overseas education and lifestyle, Mr. Aman Maheshwari , Mr. Mitesh Mishra and Dr. Vijay Kumar Arora.

Both individuals come from India's most reputed educational backgrounds.

We aim to serve abroad education for students and provide them maximum support to achieve their dreams.

Wingrow provides comprehensive services for its students sent abroad for MBBS (MD) with Counselling, Admission, Documentation, Visa and Travel arrangements, Hostel accommodation, provision of Indian foods, and safety of students are its prime strength.

## MISSION

- Create equal opportunities for all deserving students
- Provide Value Education in Medical Fields.
- Connect globally with the top medical universities and expand medical facilities in India.
- Make abroad education easy and affordable for Indian students with advanced educational facilities.

## VISION

- Avail the Best Medical Universities at Affordable Cost
- To analyse the market indicators and accordingly connect demand and supply of latent resources, and their positioning in the global medical and healthcare sector.
- Our sole idea is to identify multifarious opportunities for emerging dynamic talents in India, to be true guidance to them, and to create readily available platforms for their unhindered reach to World's best Medical Universities.
- We want the world to get the hidden best in India, and hence set the hold hands of every aspirant seeking such platform, while inspire the rest.

# FOUNDERS

## Mr. Mitesh Mishra

Mr. Mitesh Mishra belongs from a reputed educational background.
